RULES IN THE LAUNDRY

BECAUSE OF REPEATED COMPLAINTS REGARDING THE CLEANING AFTER LAUNDRY, THIS IS THE ASSOCIATION'S RULES REGARDING THE USE OF THE LAUNDRY.

1. RINCE DISPENSER - DO NOT PUT LAUNDRY DETERGENT IN RINSE SUPPLIER. IT OFTEN HAPPENS THAT THE PERSON WHICH IS COMING TO DO THE LAUNDRY TO GET STARTED HAS TO CLEAN RINSE SUPPLIER FROM OLD LAUNDRY DETERGENT

NOTE! THE LAUNDRY DETERGENT PUT IN THE RINSE SUPPLIER WILL NOT BE USED DURING THE LAUNDRY. IT IS ONLY A WASTE OF LAUNDRY DETERGENT.

2. AFTER LAUNDRY - MAKE SURE TO CLEAN THE RINSE SUPPLIER AND THE LAUNDRY DETERGENT SUPPLIER FROM RESIDUALS. WIPE THE MACHINERY FROM DUST AND RESIDUALS.

3. REMOVE THE FLUFF FROM THE TUMBLE DRYER AND CLEAN THE DESICCATOR

4. SWEEP AND WIPE THE FLOOR.

5. IF IT IS NOT CLEANED WHEN YOU COME TO THE LAUNDRY, YOU MUST REPORT THIS TO THE BOARD AND ANYHOW MAKE SURE TO LEAVE THE LAUNDRY CLEAN AFTER YOU.

REPEATED USE OF THE LAUNDRY WITH OUT CLEANING COULD MEAN THAT YOU LOSE ACCESS TO THE LAUNDRY.

With kind regards

The Board
